## Grand Knight's Report

By Mike Kebr

I would like to wish everyone a very Happy Easter. It's a great opportunity to spend time with those that are dear to us and to remember and pray for those that are no longer with us. Our Fraternal year is winding down and the nominating committee is in the process of having discussions with potential officer nominees. Our nominating committee consists of: Three Year Trustee, PGK Mike Bradley, Two Year Trustee PGK Marty Zopp, and One Year Trustee PGK Scott Popp. The slate of officers will be announced at our May 7<sup>th</sup> Business Meeting and posted shortly after in an email and the May newsletter. The elections will be held at our June 4<sup>th</sup> Business meeting. I encourage each of you to be there to show your support and to take part in the elections. It's also not too late to invite a friend, neighbor, relative or fellow male parishioner, who is at least 18 years of age and is a practical Catholic, to join our ranks. If you or any interested candidate has any questions, they can contact Mark Allen, PGK John Stefani or myself with

any questions they may have. In a little over a week PGK Mike Bradley and I will be travelling down to Springfield for the Knights of Columbus 121<sup>st</sup> Illinois State Convention held April 26-April 28. The weekend will include award presentations/recognition, program updates, evening Mass at the Cathedral of The Immaculate Conception, and business meeting/elections. I will be giving a report to the council on the take-aways from the convention at our May Business meeting. Thank you everyone for your continued support to the Council and the programs we do every month. We would not be as successful as we are without your help.

By Todd Bright

I hope that everyone was able to celebrate a wonderful Easter with family and friends. On April 17<sup>th</sup>, many of us celebrated the life of an exceptional friend, person, wife, daughter and mother with a funeral mass at St. Thomas for Lisa Plunkett Conlon. A special thank you to our priests and worthy Chaplain Fr. Simon for the beautiful words and mass. While this was a sad day, it was also very inspirational. As I looked around the church and wake the previous day, it was amazing to see how one person could have positively affected the lives of so many. Lisa was truly a gift from God who showed us how to live our lives as Christians. I know that she is at peace with our Heavenly Father and his Son, who died for us on the Cross that that we might be saved. Please continue to pray for her husband, children, and family.

back this upcoming year. I look forward being a resource to the new officers and continuing to be an active member in this great council.

May God continue to bless you and your families always!

## Easter Traditions

By SK, Bob Kosin

It would seem that Spring abounds with traditions from graduations, weddings and Easter. If you were in the Sanctuary of St. Thomas on Holy Saturday, you would have seen decorated baskets of food set out along the steps of the alter. This is the Easter tradition of the Polish culture as Świąconka or The Blessing of the Basket. No one basket has the same food, prepared the same way and truth be told it need not be only Polish cuisine. All to see brought forward for a blessing wrapped in white linen is sausage, ham, boiled eggs, breads, cakes, sculptured butter cakes and more of the blessing upon us for Easter dinner. But

amidst all this are the family, friends and parishioners exchanging stories, advice of this or that for another Blessed Easter. The real wonder is the young children seeing the uncovered baskets with their contents displayed for a brief moment for a blessing from Father Jerome. We are reminded by the words of Father Jerome of the value of Lent and the importance of fasting as to be practiced prior to Easter. Here is tradition and one that brings us closer to the blessings of Easter and our Faith.

## April Breakfast

### COUNCIL BREAKFAST GOLF TEAM SNOWED OUT AGAIN!

Okay, maybe that wasn't the most important thing about the April breakfast... WE DID HOWEVER, HAVE ANOTHER GREAT EVENT! Dollar wise we were still up there where we like to be... AND we were missing **Steve Haugh, Scott Popp, Ken Artner, Pat Slowey**, from the kitchen crew, and a whole host of the Dining Room Regulars... but as always the All-Star Back-ups were in there such as **Dave Mazurk, Bill**

**Bransley, Mike Jasinski and PGK Daniel Patrick Maguire.** Replacing **PGK Worthy Financial Secretary Haugh** was a team of **Worthy Treasurer Pete Harren, Bob Kosin and Cheryl & Paige Newport!** (With **Bill Bransley** doing oversight!). And, so great to see **Brother John Streit** showing up early to pitch in in the >>>

## Troop and Pack 127

By Dan O'Connell

### Eagle Attained

Once again Troop 127 has an Eagle Scout to celebrate. Hunter Berkland passed his Eagle Board of Review and his application is in the process of being reviewed and hopefully approved by National to affirm his Eagle status. So, what does it take to get to Eagle you ask? Let's start from the beginning.

When a Cub Scout crosses over to Scouts BSA as an AOL (Arrow of Light),  (the only patch that can be worn on the Scout BSA shirt from Cub Scouts), they are well on their way to the first rank which is **Scout**. The Scout rank is oriented toward learning the basic information every youth needs to know to be a good Scout. It starts with the Scout demonstrating knowledge and understanding of the Scout Oath, Scout Law, Scout motto, and Scout slogan and then introduces the Scout to basic troop operations and safety concerns. It is the only rank that does not require a Board of Review to advance. Tenderfoot, Second Class, and First Class ranks are oriented toward learning and practicing skills that will help Scouts develop confidence and fitness, challenge their thought processes, introduce them to their responsibilities as citizens, and prepare them for exciting and successful Scouting experiences. Requirements for the Scout, Tenderfoot, Second Class, and First Class ranks may be worked on simultaneously. However, these ranks must be earned in sequence with Tenderfoot, Second Class and First Class requiring successfully passing a Scoutmaster Conference and Board of Review by Committee members and parents (not the Scout's) to review his accomplishments documented in his Scout Handbook and his responses to their questions.

Up through First Class rank, a scout was busy learning skills and becoming a self-sufficient scout. The scout now moves from being a learner to being a leader. The Star rank is attained with participation, leadership, service, and self-directed advancement through merit badges. All rank requirements must be completed, a Scoutmaster Conference held and successfully passing a Board of Review to attain the rank.

Continuing to develop leadership skills, the Life Scout rank is earned by fulfilling additional leadership positions, service hours, and merit badges. A Life Scout is expected to be a role model and leader in the troop, providing guidance to new scouts and helping the troop however possible. Being a good leader can only be learned by doing, and troop leadership positions allow the scout to make decisions, lead discussions, and encourage others.

Attaining the Eagle rank is often the end goal of a scout. It looks good on a resume and shows commitment to a program over an extended span of time. Like each rank advancement before it, the Eagle rank is a major advancement milestone, but not the culmination of scouting. Twenty-one Merit Badges are needed for Eagle of which 13 are required and 8 are the Scout's choice although many scouts earn more than Twenty-one. That gets you into Eagle Palms which we won't go into here.

An interesting note: In 1949, the average age of Eagle Scouts was **14.6 years**. In 2015, that number was **17.34 years old**. For starters, young men are staying in Scouting longer, meaning they're enjoying the program for a longer amount of time and not feeling the rush to earn Eagle until they see their 18th birthday on the horizon and in some cases, almost over the horizon.

Thank you for your continued support of Cub Scout Pack 127 and Scouts BSA Troop 127.

## April Breakfast

From Page 2

Dining Room. The Steaks were running away at the 9:00 o'clock mass, the new Heart Healthy had some takers and omelets going gone as usual. We are always a little leery when the breakfast is displaced from its normal third Sunday. But the usual faithful were in place and as always, some more new faces. But it is always those same ones who come month after month that we count on, so many are Brother Knights and their families, so many are regular parishioners of St. Thomas... these are the ones that keep coming to keep us going, both financially and spiritually. the snow was out there, it was cold and windy again, but we looked out of the kitchen to dining room window and there they came. they keep our spirits up. the 7:30 Mass was pretty good this morning, and then then after the 9 the crowds were there. A few said it was lighter, but **Bob** and I looked at each other and said, nah.... we just got into our

rhythm, so we were cranking the food out a little quicker... which makes the morning go by. Thanks again to the clean-up crew, both dishes, kitchen and dining room who magically arrive when needed and get everything back to spanking clean and shining... even when we had another group coming in right on top of us at 1:PM.

See you all next month on May 19<sup>th</sup>... in the meantime, Happy Mother's Day to all the ladies who give so generously of their Husbands time at each event... so that we can do what we do for those in need, and provide those lovely ladies (well, most of them!) with a few hours of peace and joyful bliss with us out of the house!!!

Peace to all, John

### Crystal Lake Food Pantry

No one should go hungry.

Is it a sign of the times? The “new to the pantry” clients keep growing. This problem maybe caused by more rental housing has become more available in City. Whatever the reason for the growing number of clients along with the steady number of returning clients the Food Pantry keeps all the volunteers busy. In April the Food Pantry staff had asked all groups to start manning the Pantry by 8:30am instead of 9am to 9:30am. The reason given was that the food truck deliveries were coming in earlier. This way the food can get processed and any perishable food can make it to the shelves before the 10am open. So I sent out an email asking for help earlier from our council. It played out just as I expected it to play out we had an over abundance of help early to “get it out of the way” and have free the rest of the day. The problem was most of the help was leaving by 10:30 or 11:00. The skeleton crew left needed to serve the clients until 2pm. Some help arrived late to help fill in the gaps of the early crew. The reinforcements arrived just in time. Piled on top of longer hours and really now 2 shifts 8:30 to Noon and Noon to 2:00pm, council member’s times were taken up with Confirmation in the morning and being the first nice day of spring in the afternoon.

The email went out of help on the Thursday evening shift which happened to be Holy Thursday.

The volunteers came out in force sometime having more volunteers than clients.

- Our next food pantry Saturday is May 4<sup>th</sup>. Again we will be there from 8:30am to 2pm.
- The Thursday Food Pantry will be May 16<sup>th</sup> from 5pm to 7pm.
- If you decide to come early on Saturday please try to stay until at least noon but all shifts hours still need to be manned.

... If you have any questions, ask Vince or myself, or give me a shout at (815) 679-6596.

Thanks!

## Fourth Degree

By Dan O’Connell

### From Dan O’Connell

We had an Exemplification of the Patriotic Degree on April 13<sup>th</sup> held at Santa Maria del Popolo Catholic Church in Mundelein, Illinois. There were 54 candidates that were knighted into the Degree. The number is lower than in the past but was very close to the Degree held in February so recruiting time was shortened by at least a month. The dinner was held onsite as well.

This event was very similar to the event held at St. Mary’s in Huntley last year as it was not at a hotel. With the rising costs of hotel venues, the Master is looking for other sites to hold the Degrees that have facilities to host a Mass and dinner after the ceremony. It will be interesting to see how many parishes will have facilities that can accommodate future Degrees.

The Degree that was tentatively schedule for August has been cancelled and the next Degree will be in September or October, date to be determined. If you are a 3<sup>rd</sup> Degree Knight and are interested in joining the 4<sup>th</sup> Degree, please see John Stefani or Dan O’Connell for a Form 4.

#### Did you know:

**The triad emblem of the Fourth Degree features the dove, the cross and the globe.** The dove, classic symbol of the Holy Spirit and peace, is shown hovering over the orb of the Earth (globe). Both are mounted on a variation of the Crusader’s cross, which was found on the tunics and capes of the Crusading knights who battled to regain the Holy Land from the pagans. God bless you and your families. Vivat Jesus!

## Pro-Life Report

By Jamie Hruza

Dear Brothers,

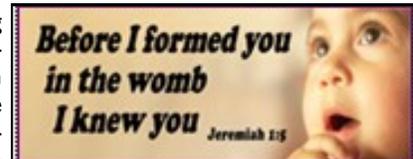

Happy Easter to you and your families! May the risen Christ bring great light into your life and the lives of your loved ones! The movie "Unplanned" grossed over 16 million in domestic ticket sales. This movie is about the life of Abby Johnson a previous Planned Parenthood director. The movie accurately depicts the horrifying reality of what goes on behind closed doors at the Planned Parenthood's across this nation. The violence in which women and babies endure during an abortion is captured perfectly. This is a movie that must be seen. Please share this movie with your friends and loved ones. Once released on DVD please purchase a copy and loan it out to as many people as possible. So many people have been sold a great lie over the last 50 years and the lie/darkness is being brought into the light. Healing starts with repentance, confession, and trusting in Gods great mercy/love.

On April 02, 2019 the Democratic Party voted for the 25<sup>th</sup> time to block a Bill to stop infanticide (Born Alive Abortion Survivors Protection Act). Let that sink in for a minute. 25 TIMES! The Democratic Party has voted to stop babies that are born alive during an abortion from receiving any medical care or treatment. These are babies that survive abortion and are left to die. There is no need to say anything here this speaks for itself! Lord - have mercy.

Great news in Alabama, State House Bill 314 sponsored by Republi-

can Terri Collins now moves to the House for full approval. This bill would make killing unborn children a felony. Please pray for all lawmakers and our representatives to fight for life.

In recent news Planned Parenthood has reached out to their donors for additional funds. Planned Parenthood is being strangled by the massive amount of Pro Life legislation being brought forth throughout the county. This in conjunction with the massive defunding efforts across the nation has put this abortion provider in a financial crunch which is also causing Planned Parenthood closures!

The Pro-Life generation is very strong, determined, and is not ever going to stop. The momentum is with us. The time is now. We must push on regardless of the hurdles we encounter. The goal is a world where abortion is illegal and the very thought of taking the life of a baby in the womb would be unthinkable. You are a soldier of Christ, the voice of the unborn, and your mission is clear.

God Bless,  
Jamie Hruza

Working and vacation don't sound like they belong together. But as members of the Knights of Columbus, we find our time filled with work and activities, and find compassion for others and enjoy a good sense of humor. The summer camp program for adults with disabilities I attend annually is for special adults. Association of Horizon is unique in putting together an experience unmatched by anything I've seen anywhere else.

This year's Association of Horizon's summer camp featured 110 adult campers with physical disabilities. Each one is paired up with an able-bodied volunteer personal attendant for the week of summer camp activities. The Camp experience is free to camper and volunteer.

Horizon's Mission statement is to organize individuals with and without disabilities to challenge themselves, develop responsibility and grow through interacting and working together. Their vision is to break down the barriers between able-bodied and disabled. Limitations are to be overcome, new abilities are discovered and an

increased awareness of self and others.

Our 2019 Summer Camp is Sunday July 21<sup>st</sup> to Saturday July 27<sup>th</sup>.

We depend on able bodied volunteers 16 to 70 years old. I invite any member to join me at the best place on earth for 6 days as a volunteer. If not, do you know: high school or college students, maybe with an interest in the health care field? Camp is 50/50 male/female population, so adult men and women and retiree vol-

unteers are welcome. We usually have a greater need for male volunteers.

<http://associationofhorizon.org/wordpress/activities/summer-camp>

The Knights have been kind enough to financially support Camp over the years. I invite anyone to volunteer for the week, or plan on traveling to the Lake Bloomington on visitor's day Friday July 26<sup>th</sup>.

### Prayer for the Canonization of Fr. Michael J McGivney

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Fr. Michael J. McGivney, to be an apostle of Christian family life and lead the young to the generous service of their neighbor. Through the example of his life and virtue, may we follow your Son, Jesus Christ, more closely fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of

your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, bless our parish, our Knights of Columbus Council and Lady's Auxiliary.  
Amen.
