Grand Knight's Report

By Mike Kebr

Dear Brothers,
In these unprecedented times, I encourage each of you to remain calm, healthy and strong. Please continue to be smart in everything you do. We need to remain strong for our families, friends and the community. This is also a time to remain vigilant in our prayer life. As knights we are dedicated to Our Blessed Mother, Mary. If you recall, we were all invested with a rosary when we went through our Admissions (First) Degree and

we made a promise to carry it with us and pray it often. That is what I am reminding you all to do. Set some time aside each day, to pray it with your family. For many, these times are uncertain and many may find themselves at home. No matter where you find yourselves in the coming weeks, please know that we are all in this together. We will make it through this time TOGETHER as Brothers and fellow knights. To that end, I encourage everyone one of us to reach out to each other, make sure we are checking on those that are at greatest risk or that cannot get out and about. These times also require changes in how we do things for the near future. As you know all "in person" events have been cancelled and Supreme has sent out a mandate, and rightfully so, that all in person meetings be cancelled and the format be changed either to a web conference or conference call. We as officers had our first test of this format this past Saturday. Our Worthy DD and Chancellor set up a couple of conference calls, first for the Grand Knights of his District and then for the officers of our council.

We discussed how we plan on continuing business going forward along as some ideas on how we all can stay connected during these times. Our April Business meeting on April 7th will most likely be done via conference call. Please keep an eye out for more details. In addition, we received news that our State Convention will be held via conference call or web-conference. We will be reaching out to those members that we do not have email addresses for and to confirm telephone numbers. If you would like to make sure we have a valid or correct email address and contact information, such as phone number, please reach out to me directly or one of the officers. We have been utilizing the use of Flocknote as a way of sending out council communications. Flocknote gives each user an option to receive communication via email or text message. If you have any questions regarding registering for Flocknote please contact one of the officers or myself.

We are still moving forward with the Officer nominations, if you are interested in an officers' position and you are at least a Third Degree knight and member in good standing, please let me know. In closing, please Be Well, Be Safe and Be STRONG! We will make it through this together.

God bless you all..

Mary Queen of Knights, "Pray for us."

The Lord Is With You

When joining the Knights of Columbus, a new member is given three items, membership card, lapel pin and Rosary. This is not just some swag or merch as the stuff usual associated with a sports gathering or social club. That later item, Rosary is a tool to a fulfilling path of Practical Catholicism.

With the global events around us including the unprecedented suspension of Mass, this is the time to be

reacquainted with the what, why and how of that simple spiritual tool. The word rosary means a crown of roses associate with Our Lady Mary. The prayer to our Lady can best be described in the words from Our Lady at Fatima, "Say the Rosary every day...Pray, pray a lot and offer sacrifices for sinners...I'm Our Lady of the Rosary. Only I will be able to >> 2

During this critical time, we need to remember that the phrase "Act of God" is being thrown around haphazardly. We as Knights, who are a "Band of Brothers" need to band together defend our Father, and what he truly is about. He is a kind and merciful. He sacrificed his only begotten son to breach the chasm that was created between us and him when the Fall of Man occurred, to give us the opportunity to be in Heaven. Bad things happen, we know it was never intended to be this way, but it is.

When someone blames God for this time ask, this question "Why would someone who sacrificed his only begotten son for us what to do this? Remember Satan is the deceiver, the master of lies. He is the one who twists situations to moves us away from our Father, who loves us." Where you go from that point in the conversation is up to you, but I trust the Holy Spirit will help us all find the proper words.

In the meantime, pray the Rosary, when you can. Be thankful you are not alone, we have each other, we are a true "Band of Brothers". Do not hesitate to inform others that you are a Knight of Columbus, a Defender of the Faith.

In closing, my inspiration for this article is from the video series, "Into the Breach", which can be found on www.KofC.org, it is worth watching. I will not close my article as I normally do. I will just say "May the Peace of Christ be with you all and your families everywhere".

help you.... In the end My Immaculate Heart will triumph."

The physical simplicity of the Rosary beads is emblematic of its purpose to lead to prayer. This does not require, any of the technology of today and can be fulfilled in this chilling time of social distancing. The Knight of Columbus keeps that Rosary with him and requires no special time or place to say the prayers. On March 29th there will not be a Memorial Mass for the Deceased Members of Council 3880 but that does not limit the moment of prayer. Find a place to hear an inner voice or view of His creation and if the weather is conducive stand outside on that Sunday morning, long enough to say a dec-

ade.

Hail Mary, full of grace, the Lord is with you; blessed are you among women, and blessed is the fruit of your womb, Jesus.

Holy Mary, Mother of God,
pray for us sinners
now and at the hour of our death.

Amen.

And from the gentle repetition of each prayer be mindful of our deceased members, their faith in their clergy, their love of Our Lady and how each lived a life in recognition of Tempus Fugit, Memento Mori.

Troop and Pack 127

By Dan O'Connell

Scouting For Food

The Pack and Troop participated in Scouting for Food 2020. The Pack distributed 1,000 bags around to the homes surrounding St. Thomas Parish on February 29th. The next Saturday, March 7th, the

Troop went back to collect the bags. The results were outstanding. We collected 2,455 items of food/sundries/paper goods weighing in at 2,161 pounds. We also collected \$235 in donations. This was all delivered to the Crystal Lake Food Pantry for distribution to the community. All the scouting units in Crystal Lake delivered a total of 4,607 pounds of food to the pantry.

The picture shows some of the scouts, scouters and parents that assisted, and you may notice a few of your fellow Knights (PGK Marty Zopp, Stu Collar, Yours Truly and Brother John Walsh behind the camera). Tracey Schocket (far left) was our coordinator. All total between the Pack and Troop, we had about 55 volunteers from both groups that made this happen.

BLUE and GOLD

The Pack celebrated the crossing over of the Arrow Of Light (AOL) Scouts on February 29th. This is an honor for Cub Scouts who are proceeding onto Scouts BSA. They actually crossover a bridge as they leave the Pack and are met by the Troop they have chosen to join. Fifteen AOL's decided to continue their scouting

career joining 5 different troops in the area. Unfortunately, despite all of our efforts, we only received one AOL from the Pack. Of note however, the Pack did crossover their first female AOL and it just so happened to be the granddaughter of Sir Knight Ken Schutz of our Council/Assembly. Raelee joined Troop 1329 out of Woodstock which has 12 girls involved in the Scouts BSA program and are full swing with outings, camping and other fun activities for Raelee to get involved in. Ken, and his wife Loretta, were very active in Troop 127 with their son and Eagle Scout, Brother Knight Glenn Schutz. I asked if he had been "volunteered" back into helping out Troop 1329 and with a chuckle said he is an Assistant Scoutmaster but had to tell Loretta he would take it easy on outings and adventures. Raelee hopes to be a Den Chief with her previous girl den in Pack 127. With Ken's guidance and encouragement along with her parents and Loretta too, perhaps she will attain Eagle Scout as well.

Thank you all for your continued support of Scouting in this difficult time. The National Organization continues to wind its way through its difficulties and hopefully will find resolution that will bring healing and justice for all involved. May you and your family stay safe during the COVID-19 Pandemic and may you and yours have a Blessed Easter. He has risen, Allelu-

Dear Brother Knights! PADS is on again! After a meeting it was agreed that

Fr. McCormick Council 3880 will continue the worthy tradition started by Brother John L Orso and led for many years by Broth-

ers PGK John M. Orso and Steve Bright. There was some concern earlier after the hosting church and major sponsor were changed. Pioneer Center is the new Sponsor, and the church that we will be serving dinners at is the new Willow Crystal Lake. Linda from Bethany will still assist us in coordinating the serving for a while longer. Our only change, really, is that we do not need to have the food at Willow until between 6:30 and 6:45 PM. Everyone involved at this point thinks this will ease our burden. >> 6

Not a Food Pantry article, but “food” for thought

Brothers,

My parents are somewhere looking at me dealing with this pandemic.

As a son of children who were teens during the Depression, I'm sure they would look at me and chuckle.

They would ask, do you have bread? I would answer the freezer is full. Can you afford fresh fruit and vegetables? Yes the stores are fully stocked. Milk? Yes. Meat? Yes. Are you feeling ok? Yes. So, no soup lines? No. Living in a house with brothers and sisters? No me and the dog. You can afford food? Yes you asked that already. So, what's the hardship? I may run out of toilet in a few weeks. A guy's why are you on the floor laughing? My dad would ask do you get the Trib? Yes. I found that softer than the Sears catalog. Oh they're not in business anymore. They were put out of business by someone who came up with an idea for mail order. Huh? Anyway you'll do just fine

The United States is the greatest country on earth. It just takes a true crisis for us to come together. It took a dictator one who wanted to suppress gene pools for the US to come together and crush his world triumph. In the words of Hirohito when he learned about the Peril Harbor attack, “ We've woke the sleeping giant “. This pandemic has reawakened the sleeping giant.

Stay safe once this is over we can celebrate just like VE and VJ day. I'll bring the Corona and the limes.

If you're Interested in helping run the event let me know.

Fourth Degree

By SK, Dan O'Connell

We had the Exemplification of the Fourth Degree on February 22nd. We have five new Sir Knights join our Assembly. A total of 180 candidates and one dog (Harvey, a Golden Retriever service dog) participated in the ceremony that was held in Lisle, Illinois.

The next Exemplification is scheduled for Saturday, May 16th, 2020 at St. Edna Parish at 2525 N Arlington Heights Road in Arlington Heights, IL. Please see the Master's website (<http://www.4thdegreeillinoisdistrict1.com/Exemplification.html>) for information and reservation forms. We are not sure, with the Novel Coronavirus (COVID-19) outbreak, if the event will take place as scheduled. More news to follow as the pandemic continues to unfold.

At the February event, we had one of our Assembly Sir Knights recognized with the Master's Award. DD PFN Steve Zalas received the award at the banquet on Saturday evening. Congratulations Steve. Well deserved.

As a result of COVID-19, the March Assembly meeting was cancelled. Please watch your emails for the status of the April meeting which is currently set of April 8th at 7:30 PM at Holy Apostle in McHenry.

If you are interested in becoming a 4th Degree Knight, please see John Stefani or me for a Form 4. We will also keep you posted on the status of the upcoming events.

Pro-Life Report

By Jamie Hruza

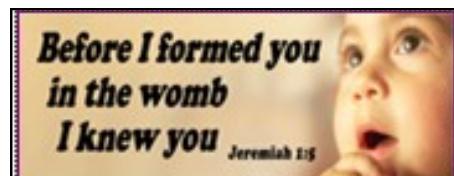

There is a lot going on in the world around us. As you are well aware we are under a "Stay at Home Order" and for good reason. As members of the Pro Life community we must remember we are Pro Life in all areas of life from abortion to euthanasia to corona virus we fight to save lives. The corona virus has sent shockwaves around the Globe. States with major metropolises have enacted "Stay at Home Order" including shutting down all non essential businesses. This order was set into motion due to a large number of cases being within major cities, where people are in mass number, and confined to small areas. The "Stay at Home Order" came after people were still gathering as if there was no corona virus. According to Governor Cuomo of New York people with underlying medical condition and over 70 are the people dying at much larger rate. Most people from 18 to 59 who are healthy and catch the virus can have it and not even know they are carriers. They are however highly contagious and spreading the virus to others including the elderly. People with compromised immune systems should not leave there home for any reason during the time of great tribulation for mankind. I have also seen numerous reports saying that young people should stay away from the grandparents until further notice.

At this moment in time it is very charitable to others that we follow what our leaders are telling us. By staying quarantined we are stopping the spread of the virus making us part of the solution not the problem. It is imperative that you do your daily rosary for the whole world, for our leaders, first responders, our youth, our elderly, business owners, Italy, New York, California, Chicago, and the sick. This virus is very painful and the people who die from it are alone. They are dying without their families and without the sacraments. Call on the entire heavenly court to intercede before the Throne of God for

the illumination of the minds of those tasked with finding the cure. Remember under the "Stay at Home Order" we are still within Lent so let us consider this time where we are withdrawn from the world, in the desert of our homes, as a time united with Christ in the desert. Let us pray and fast for the healing of our sick brothers and sisters throughout the world not just physically/bodily sickness but more importantly spiritually sickness. Let us daily do Lectio Divina with our children and talk to them about the scripture readings. Read Matthew 4 v1-11 as a family and enter more deeply into Christ's preparation for the greatest sacrifice ever given on behalf of another. Christ the spotless lamb of the living God gives up his very life to pay the infinite debt owed to God for the iniquities of the entire world. Let us give thanks and praise to Almighty God that we have homes, heat, food, family, health, wealth, the Church, the sacraments, the Priesthood, and all the other things that come from GOD alone, the provider of all things.

Remember you are sacrificing much to save lives of others at this very critical moment in time. Jesus is always in charge and his works can be very mysterious at times but always proclaim.... Jesus – I Trust In you, Jesus – I Trust in you, Jesus – I Trust in you. From our family to yours – LOVE!

In CHRIST, Jamie Hruza

It's been 10 days since our Supreme Knight issued the order to suspend business meetings and other face-to-face council activities. But our Knight's continue to respond admirably to adversity. We were quick to start a Novena, which the parish promptly adopted. The food pantry started a new, controlled process, which allowed the Knights to serve under the leadership of Past Grand Knights Vince Esposito and John Stefani. Locally, the Knights from Saint Elizabeth Ann Seton conducted their blood drive. Would you have expected anything less?

It just makes sense that these men are continuing to do the good work needed. That is who we are. That's why I became a Knight and why I would expect other men to join as well. "We are Catholic men building a bridge back to faith. There is much work to be done in this world. Good work." For the safety of our members, we need to be creative, change, grow, and do things differently. But we will continue the good work of the order. Adversity is just another chance for us to share The Lord's message and lead in our faith and deeds.

The Supreme Knight's Message on the Coronavirus

www.kofc.org

As the world confronts the COVID-19 pandemic, Supreme Knight Carl Anderson shares the actions and responses taken by the Knights of Columbus.

3/16/2020

Dear Brother Knight,

As the world confronts the COVID-19 pandemic, I wanted to take this opportunity to share with you the actions and responses taken by the Knights of Columbus.

The coronavirus disease is not the first pandemic the Knights of Columbus has faced. In the late nineteenth century, and again in 1918, the Knights remained strong and active despite such situations. And together, we will do so again this time.

We know that this period will be difficult in various ways for everyone, and we want to assure you that the Knights of Columbus is fully committed to you and your family, and has taken the steps necessary to continue our important work on your behalf – from protecting the faith and financial stability of members' families, to helping members put their faith into action by providing important charitable service within their communities.

Although to our knowledge, no staff at the Knights of Columbus Supreme Council or Museum in New Haven or at the Saint John Paul II National Shrine in Washington, D.C., have tested positive for COVID-19, we have implemented remote operations for most staff, allowing our business processes, customer service and fraternal support to continue their important work uninterrupted, while simultaneously protecting the health of our employees and reducing the risk of community spread of this illness, which is often facilitated by having large groups of people in close proximity to one another.

Furthermore, our sustainable investment strategy means that our exposure to current stock market volatility is limited, and we remain extremely strong financially. With that strength, and the strength that comes from committed employees, we remain positioned and ready to serve our brother Knights. Of course, our agents and our customer service team also remain available to help you with any insurance or related financial needs that you may have. As we implement new systems to serve you and respond to a higher volume of inquiries than usual during this period, it is possible that wait and turnaround times may increase.

In addition to what we are doing at the Supreme Council headquarters, many brother Knights have asked how they can help in their own communities. We suggest the following:

During this period, we urge every member and his family to pray the Supreme Council's novena based on the prayer of Pope Francis (printable or video prayer), as well as a prayer being promoted by the United States Conference of Catholic Bishops.

Help keep yourself, your families and your communities safe by cancelling all "in person" Knights of Columbus meetings and activities at the local or state level until otherwise indicated. This disease spreads when groups of people gather, so it is important that we avoid activities that could spread this illness. Councils should pursue online and/or teleconferencing options for meetings, fundraising, etc. until the danger has passed. The Supreme Council will be providing additional information on such options shortly.

Leave no Knight – or neighbor – behind. If members of your council – or community – are elderly or have underlying medical conditions, please ensure that they have enough food. If you or others in your council have food to spare, offer to drop something off on their doorstep or to shop online for them.

Give blood. Many communities are facing blood shortages. Those not being recommended to isolate themselves due to illness, age or underlying conditions should consider giving blood. National blood drives were pioneered by the Knights of Columbus in the 1930s, and this lifesaving activity remains an important aspect of our charitable work today.

As we move through this pandemic together, you can rest assured that the Knights of Columbus will be there for you. We will provide regular updates in the days ahead, and we will remain joined with you in prayer and in service to our neighbors in need. May God bless you, and keep you and your loved ones healthy and safe.

Fraternally,
Carl Anderson
Supreme Knight

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Fr. Michael J. McGivney, to be an apostle of Christian family life and lead the young to the generous service of their neighbor. Through the example of his life and virtue, may we follow your Son, Jesus Christ, more closely fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, bless our parish, our Knights of Columbus Council and

Lady's Auxiliary.
Amen.
