## Grand Knights Report

By Mike Bradley

**G**reetings Gentlemen,

As Easter Sunday approaches I find myself pondering what I think is a very interesting comparison. That being the Easter holiday coinciding with the season of Spring. As we all know Easter is Christianity's most important holiday. Like the season of Spring which brings new life so does Easter. As Catholics we celebrate Jesus's resurrection from the dead. As the flowers and trees bud and the birds and creatures return I feel a deeper appreciation for Jesus's sacrifice and see his resurrection through all of Spring's glory. I can not think of a more fitting time of the year to celebrate what Jesus's life means. I hope everyone will take a moment and think about what Jesus's life means to them.

Spring also marks the start of a very busy time for the council as we kick off many of our yearly events. As discussed last fall we will be over hauling the brat mobile (trailer) over the next couple of months to make it a little bit more user friendly. Some of the improvements in the works include replacing the old cabinets, building a frame that will include a folding table, installing a rack for buns and adding additional electric outlets just to name a few. If you have an idea of an improvement for the trailer please reach out to me or DGK Mike Kebr as we would like to consider any and all ideas. As we finalize plans and purchase the materials I will be sending out a request for help.

As many of you know the council hosted its yearly Knighthood Degree on Sunday March 11th where we welcomed in three new brothers **Tom Ryan, Jack Hoscheit, and John Baldo** into our council. These three new members were also joined by brothers **Jake Scott, Arturo Munoz, and Steve Baker** as they continued their Knighthood journey to become 2<sup>nd</sup> and 3<sup>rd</sup> Degree Knights. Thank you to our council's First Degree team, along with John Paul the Second's Knighthood Degree Team, and our membership director John Stefani for coordinating the event. As always John and his kitchen staff prepared a great meal. This year's menu included cream of chicken in rice soup, house salad, seasoned chicken breast wrapped in bacon with melted provolone cheese on top, green beans, seasoned potatoes, and cheese cake for dessert. Please refer to John's article for more information.

On Saturday March 17th the council hosted its 49th annual St. Pats Dinner which again was a very successful event for the council. Kevin Scanlan along with co-chair Kevin Fromme and the rest of their team did a great job. The traditional food fair of corned beef, cabbage, boiled potatoes, and carrots were delicious. As if that wasn't enough the council had its monthly breakfast the next day. I want to extend a thank you to the Boy Scouts as well. With their help we were able to clean the room and set up for the breakfast the next day. The council also worked the food pantry on Saturday March 3<sup>rd</sup> and Thursday March 15<sup>th</sup>.

During our upcoming business meeting I will be naming the nomination committee for officer elections. For the newer members of the council the purpose of this committee is to form a slate of possible candidates to hold officer positions for our next fraternal year starting in July. The committee will meet with individuals that may be interested in becoming an officer of the council. If you are currently an officer who would like to move up or an old or new member of the council who would like to become an officer please reach out to me as I will pass your interest onto the nomination committee. The nominations will be presented at our May business meeting and will also be published in the May newsletter. The council elections will be held at our June business meeting. As a reminder our next business meeting will be held Tuesday April 3<sup>rd</sup>. If you haven't been to one in a while or are a newer member please consider attending. This is where you get involved in the council events for charity and one of the reasons you joined the Knights. In closing I hope everyone will have a safe and happy Easter. >>2

**D**ear Brothers,  
As I am writing this we are approaching Palm Sunday and Holy Week. I hope everyone has had a meaningful and reflective Lenten season. In my previous newsletter I had challenged my brother knights to "step it up" a notch whether it be in volunteering or giving back more to the community and those in need. I hope you have had a chance to do so. I would like to say thank you to all those that helped with the Regional Free Throw Championship on March 17<sup>th</sup>. We had 11 knights from our council show up to help. Our co-sponsor council from Elizabeth Ann Seton had asked us if we could provide a majority of the manpower to cover the event and we did so with flying colors. Both Bill Kolton from #10678 and myself were very happy and grateful for the big turnout. Later that evening we also held our Annual St. Patrick's Dinner. Although attendance was lower, we had more than

enough help. A big shout out to the Scouts and leaders from Troop 127. They were there again this year and made clean up easy. They also set up the room for breakfast held the following morning. As we get closer to the end of our calendar year, think about how you might want to get involved more if you haven't been able to in the past. Whether that be helping at our many events or maybe chair or co-chair an event. If you are interested or curious about how you can get more involved or help, see one of the officers or myself. You may even want to "invite" a friend to join you.

Mary, Queen of Knights.

- **BROTHER STEVE BAKER** 2<sup>ND</sup>, 3<sup>RD</sup>
- **BROTHER JACK SCOTT** 2<sup>ND</sup>, 3<sup>RD</sup>

And shame on me, I didn't get any pictures... ok, I was busy cooking the meal we held afterwards, but should have arranged it...

Next time you see these men, please offer them your congratulations and welcome the new guys.

We have been very fortunate that we have been getting new members, all Councils have not been that lucky. And a number of new members have also been joining in, some jumping in with both feet, to help at events. It can be daunting when you are in a new organization, but by making these guys feel at home, we all win.

We had several men that wanted to join us at that time, but with other commitments, such as work, where not able to make it. So I a scheduling the next one for the Social Meeting, Tuesday, May 15<sup>th</sup>. So you have time to round up a few more candidates. Read the rest of

the newsletter and see how much we have going for us. Use this info to reach out to those you know who would benefit from >> 3

## Back at it Again!

STEAK & EGGS # 2 was a repeat this month! Our sales for this new item was the same as when it was introduced last month, meaning it is a keeper. Some different buyers this month, some the same, meaning we are still generating sales. Along with our regulars. In addition to the Yellow, Blue, Pink and Green menus we also offered the ½ Waffle & Eggs

and the French Toast & Eggs to go with the Steak & Eggs. Other Councils just can't believe how many varieties we offer. We did well on all of them, and had over a dozen Waffles at the 7:30 Mass, which was a big jump. Thanks to **Annette O'Connell**, we are gathering a lot of data on this event we haven't had in the past. Each month she takes home all of the order sheets then sends me a summary of exactly how many of each menu item, plus the choice selected for the meat and toast. Running this and doing the ordering for the past 20 plus years, I really do have a good idea ordering, but this lets everyone see and spot trends. Something that could come in handy for my successor.

But what I can't easily predict is how many customers for each Mass! This time around the 7:30 seemed fairly good, then the 9:00 was pretty good but then slowed down. The 10:30 was even funnier, as it ended early so seemed like not much, but then they just kept coming in... so we had a little bit of time between to sit and talk with patrons and each other. Since so many of the guys working have family in for breakfast, they may get a little bit of time to visit with them. Then **PKG Marty Zopp, His Honor**, informed us it was his wife Marilyn's birthday, so **Kevin**

got the guys together so we could sing to her. And we included the "Grill Man", **Bob Newport** in this as it was his birthday Saturday. We put in a lot of hard work, so have to have some fun... generally at someone else's expense!!!

Being in back on the small grill most of the time, I do miss a few of the newer guys coming in and working. But, did spot newer **Brother Nate Miller** in the dining room helping out where needed. Thanks, **Nate!** And I've seen a number of newer Brother Knights, like **Tom Cieslewicz** and his wife enjoying the food. Brother Knights helping Brother Knights!

A special thanks to MANY of the guys working the breakfast, too many to list, who spent much of the previous day and into the night working the successful **St. Pat's Dinner**. And then there were at least a half dozen who worked the Regional K of C Free Throw event Saturday morning. At Officer's meetings we constantly talk about the old 80 – 20 rule;

20 # of the roster do 80 % of the work... although here at **3880** it may be closer to 90-10! But, we are seeing changes in that each time we work.... Like noted above, new guys are right in there next to some of the old-timers... Guys like **Jim McKinnon, Matt Carzoli, Marc Niemann, Kevin Fromme Nate Miller**... it really does make a difference to all of us, for all of us.

Keep it up, guys, 3880 continues to be 3880.... And that says a lot! Peace, and a very Happy and Blessed Easter to everyone! see you all there next month, April 15<sup>th</sup>. John

being a Brother Knight, and who WE would benefit by having the. Print a copy and hand it to them, let them read it... let their wives read it, let them ask questions, and that any Officer or myself is available to talk to them if they want. We have a great 2 page Benefits paper that explains many of the benefits that come to them and their families. Maybe even some you might not be aware of. If you want a copy, let me know and I'll send it to you. But ASK someone... we say it over and over, but on of the biggest reasons men don't join the Knights is because no one ever

asked them. Don't be that guy that didn't offer someone the opportunity of a lifetime! ASK.

## News from Pack and Troop 127

### Scouting Up Some Food/Changes Afoot

The Pack and Troop took part in Scouting for Food once again this year. As in the past, the Cub Scouts of Pack 127 distributed empty bags on the last Saturday in February with a placard telling folks have it out for pick up the next Saturday. The placard gave them food and sundry

items the food pantry needed to fill it up.

On the first Saturday in March, the Boy Scouts from Troop 127 followed the same routes and picked up the bags of food and other items and took them to the Nunda Township building where

everything was weighed, counted and sorted. Our efforts yielded 2,026

pounds of food and goods consisting of 3,344 items. In addition, we collected \$200 in donations. This was all turned over to the Crystal Lake Food Pantry for their use in serving our community.

The Pack and Troop are also going through re-chartering currently. Our year runs April 1<sup>st</sup> through March 31<sup>st</sup>. We met with the Notre Dame Club of McHenry County (NDCMC), our current charter organization, to discuss the changes that the Boy Scouts of America (BSA) were making to the program by allowing young ladies to join the BSA. We had discussions on the changes and what it meant to the Pack in particular since they will be the first to offer membership to girls ages 5 through 11. There was concern that NDCMC could say no to allowing girls into the Pack which is their right as the charter organization. After all questions had been answered, NDCMC decided to go along with the BSA change and allow a mixed pack of boys and girls with same sex dens at each rank as membership dictated.

# Crystal Lake Food Pantry

No one should go hungry.

When Vince sends out a request for help at the Food Pantry for one of our service days, we do get HELP! Here is a picture proof of that, as Sofia and Salena Muñoz where so busy they didn't have time to pose for a picture! Just goes to show there is no job to big or too little for someone to do. We keep getting new people showing up whether it is the Thursday night or the Saturday morning service day. As a rule, the majority of the clients are there around the times the doors open. So when we have our usual 12 -15 workers there, we can get the on the floor fairly quickly. The tricky part is to allow a little time from when each is brought in, so there is room to maneuver! Of course if some of them are a little slower, and it is usually the first ones in, it starts backing up. So we have to push them along a little. But most of the workers have been doing it for a while and can help them out. Then, we find we have the majority through in the first hour or so, especially on Thursday.

But they still trickle in. By doing it the way we do, we have the ability to let some of the workers leave early. This will work out if you can't work the whole shift. When we start at 10 AM on Saturday, we need help starting around 9 to bring out the produce, cull the veggies and bakery items, and maybe do a little shelf stocking. By one we are in good enough shape if someone really has to lead, we are okay with that. Works the same on Thursday, get there closer to 4 so that when we open at 5 we are good to go. But please, do come out even if you only have an hour or so to spare. It means so much to the people we help. ... If you have any questions, ask Vince or myself. Or give me a shout at (815) 679-6596.

## 4th Degree News and Views

By PFN, PGK John Stefani

Greetings Faithful Sir Knights and Worthy Brother Knights!

The 4<sup>th</sup> Degree had a special Business Meeting this month. It happened to be on the same night as the Confirmation for Sacred Heart Church in Marengo. So we combined both events, and they turned out to be great. It was a bit surprising, but we had TWENTY Sir Knights in Regalia show up for the Mass with Bishop Malloy. Afterwards, we adjourned to one of the meeting rooms and had pizza and drinks delivered! So there we sat, 21 guys at that point, 20 in tuxedos wolfing down red-orange, gooey dripping pizza sauce and 'hardly' any got on the white shirts. Hey, we're still guys! But it was really special.

As I have mentioned before, the next 4<sup>th</sup> Degree Exemplification will be on Saturday, May 5<sup>th</sup>, 2018. It is again being held in Oak Brook where the last one was. At the recent Knighthood Degree that we held, we have now added 7 Brother Knights to the 3<sup>rd</sup> Degree, making them eligible for the 4<sup>th</sup>. It would be nice to see many of them, and several more of the old 3<sup>rd</sup> Degree group showing up to take the 4<sup>th</sup>. One of the rea-

sons for some not doing it may have been the need to wear a Tux. Well, with the Uniform coming along in the next year or so, that requirement has been changed. Instead of a Tux, although it is still accepted, candidates may now wear a black, dark blue or dark grey suit. White shirt with lay down collar and dark 'appropriate' tie, and black shoe completes the outfit. So, it that was your last hesitation, now is the time! Applications need to be submitted by early April, so if you are considering it, call or see me or Dan ASAP.

As for the rest of us, we 4<sup>th</sup> Degree Sir Knights with Regalia will be taking part in two upcoming Parish events. The first will be the Sunday after Easter, April 8<sup>th</sup>, when the Parish holds its annual Devine Mercy Sunday. We will be there to assist in the Veneration of the Icon for the people of St. Thomas. We so far have commitments from 5 of us. Next up is the Parish Confirmation which takes place on Thursday, May 3<sup>rd</sup>. For that we will join with our Brother Sir Knights from the Assembly. The turnout has always been good for our Parish, as many of us from 3880 attend most of the other Parish Confirmations... it is what we do as 4<sup>th</sup> Degree... attend to the Bishop.

See either Dan O'Connell or myself for the FORM 4 to start the ball rolling. Same for any questions. **Vivat Jesus!** John Stefani, PGK, PFN, Trustee. (815) 679-6796 or [membership@kofc3880.org](mailto:membership@kofc3880.org)

By James Hruza

Dear Brothers,

A man and a woman are joined together in the Holy Roman Catholic Church within the sacrament of Holy Matrimony and become 1 flesh. The love that the man has for the woman and the woman has for the man creates a third person, a baby. This is completed through union with God and a sharing in his creative work.

Abortion, selective reduction, morning after pill, contraception, etc...

are evil acts that directly sever Gods creative work by erecting man-made barriers. These evil acts proclaim to the one true God that we are god and we can choose to do what we want in place of Gods will! This is called disobedience to Gods Law, the Natural Law.

## News from Pack and Troop 127

From Page 3

We will begin accepting young ladies' applications in August/September of this year as the Pack picks up activity for the school year. We expect some of the Cub Scouts sisters to be some first to join our ranks. It will be an interesting year as we work with this program change and in 2019, the Boys Scouts will be allowing young women to join.

Thank you all for your continued support especially in light of all of the changes over the past few years. May you and your family know the peace that comes from our Risen Lord.

God Bless.

## St. Patrick's Day Dinner Dance

By Kevin Scanlan and Kevin Fromme

'The dinner ran well with great help from many Knights and their families. We almost ran out of corned beef early, however we had enough to feed the paying crowd. We could have used 6 total boxes of corned beef and been alright. The Irish dancers were great, however the entertainment could have been more exciting after the dancers were over. The cakes for desert were a big hit, so we will need to remember that for next year's 50<sup>th</sup> anniversary.

We had 182 tickets sold and served about 202 people including workers and clergy. The winner of the 50/50 drawing donated half of their win-

nings, so we ended up with ¾ of the cash which helped us clear a little over \$2,300 for the entire evening. Thanks go out to Matt Carzoli and everyone that helped with the fun evening.'

Thank you again, Kevin Fromme 479-200-1987

## Pro-Life

From Page 4

When man and women come together within the sacrament of Holy Matrimony and create a child they are replenishing Christ's Church. This is why Catholic's are required to always be open to life within their marriage. The number of children is according to Gods will not ours. This is a Holy and pleasing to God. This complete self-sacrifice of oneself for their spouse and for the providing, protecting, and education of their children is exactly what God intended for man. In self sacrificing of ourselves for the good of another we are most perfectly who God intended us to be. God gifts us with children so that through education we will bring these precious gifts back to him through the sacraments within his One, Holy, Catholic, and Apostolic Church. This is perfect obedience to Gods Law, the Natural Law.

A Catholic family is a type of the Holy Trinity in which the love the Father has for the Son and the Son for the Father pours forth a third at Pentecost the Holy Spirit. The cross is the most perfect example of self

sacrifice that has ever been witnessed by man. The Son of God came down from heaven to give his life is most gruesome way to pay the infinite debt that man was unable to pay. The sacrifice of Jesus on the Cross was a perfect act of love. We share in the sacrificial love within our families by willing the good of the other regardless of the cost to self.

As our Lenten journey draws to an end let us be ever more committed to taking up our cross and following Christ. Let us unite our cross daily with the cross of Christ for the protection all Life from conception to natural death.

God Bless,

Jamie Hruza

## St. Paddy's Pictures

## History on Display

By Robert Kosin

Whether planning for Easter or opportunities for yard work, another Spring seasonal activity is cleanup and finding those mementoes of another time. The Council has a two trophy cases in the lower level of St. Thomas holding recognition of its history. There is an award plaque having the names of each Eagle Scout with BSA Troop 127 going back twenty-five years. But real history as measured in time and commitment is the Charter on display of the Knights who started the Council. On a shelf is a ledger book of the dues and finances of its first years. Also, one can find a ring entrusted by a family in the memory of a long past Grand Knight. Other family records is an insurance policy portfolio taken after the Second World War and kept by the family for several generations as the commitment to the Knights of Columbus. Amid the Council recognition of numerous Star Council trophies there rests a chalice and stole. This personal chalice from the family of a deceased priest is entrusted to the Council as a gift to a seminarian to carry on the prayer of the faithful and the memory of members past. The two cases are imposing in size and within them there are those mementoes worth viewing, knowing, and understanding where this Council has been and what potential it has to go. Because isn't that what Spring is all about.

## Prayer for the Canonization of Fr. Michael J. McGivney

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Fr. Michael J. McGivney, to be an apostle of Christian family life and lead the young to the generous service of their neighbor. Through the example of his life and virtue, may we follow your Son, Jesus Christ, more closely fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt

us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, bless our parish, our Knights of Columbus Council and Lady's Auxiliary.

Amen.
