Grand Knights Report

By Mike Bradley

Greetings Gentlemen,

Since my last article was a bit long I will be very brief this month. We are now in the planning stage for the trailer improvements and will be starting them very soon. As mentioned before some of the improvements include replacing the old cabinets, building a frame that will include a folding table, installing a rack for buns and adding additional electric outlets just to name a few. As we finalize plans and purchase the materials I will be sending out a request for help.

As mentioned in my last article this year's nominating committee was announced during our last business meeting. The committee includes PGK Marty Zopp, PGK Pat Maquire, and PGK Scott Popp. For the newer members of the council the purpose of this committee is to form a slate of possible candidates to hold officer positions for our next fraternal year starting in July

The committee has already been hard at work interviewing several individuals for the officer positions and the slate will be announced at our May business meeting and published in the May newsletter.

Next weekend DGK Mike Kebr and myself will be attending the annual Knights of Columbus State Convention in Springfield. The convention as many of you know allows councils to meet one another and share ideas along with attending seminars put on by our state officers. This is also a great opportunity as we find out what the Knights will be focusing on during the next year along with any changes in the works. I will be sharing the information with all of you at our next business meeting and in the May newsletter.

As a reminder our next business meeting will be held Tuesday May 1st. If you haven't been to one in a while or are a newer member, please consider attending. This is where you get involved in the council events for charity and one of the reasons you joined the Knights.

Blessing to all,

Mike Bradley

Deputy Grand Knights Report

By Mike Kebr

Dear Brothers,
JN 10: 14-16

I am the good shepherd, and I know mine and mine know me, just as the Father knows me and I know the Father; and I will lay down my life for the sheep. I have other sheep that do not belong to this fold. These also I must lead, and they will hear my voice, and there will be one flock, one shepherd.

On this day I am reminded that we should all set aside some quiet time each day to recognize the voice of the Good Shepherd. Turn off the radio, TV, internet, and cell phones and take time to listen to Jesus. It's sometimes easier, when we pray, just to "ask" God for things, but how many times do we stop and listen to what He has to say to us? If not, it's a one-sided conversation, wouldn't you agree? >> 2

Pray the Rosary as a Family and with your KofC Brothers

Deputy Grand Knights Rpt

By Mike Kebr

We should also pray for those who Jesus placed as shepherds in His Church, our priests and for those young men who have a vocation to become priests. We are all called to be shepherds in one form or another. Whether as priests, parents, grandparents or care givers. We have a responsibility to those entrusted in our care. Let us pray that God will give us the strength and resolve to continue to be the best shep-

herds we can be.

Growing Again!

Awesome! After bringing in THREE new members at the Knighthood Degree in March, we have a few more candidates ready to join us in May! This is going to be the last **Admissions Degree** for the current Fraternal Year, and last for **Grand Knight Mike Bradley**. We have a couple of Form 100s hanging around for candidates who have not been able to make the last ceremony or two, and now have one from **Josh Antongiovanni**, son of **Brother Mike**. With some passing comments we could have a few more to present at the May Business meeting. Will you have one to turn in? The Admissions Degree will take place starting promptly at 7:30 PM on Thursday, May 15th. Show up time for both the Degree Team and the Candidates (with their SPONSOR) would be at 7:00 PM. As usual it would be great to have many Brother

Knights there to observe and welcome them into the K of C. We generally have our first ceremony of the new Fraternal Year in August, so go ahead and mark August 21st as the next. Need a Form 100? Let me know, I have many more. And I am always available if you need someone to "help" with a potential candidate. Call! Reach me at: membership@kofc3880.org, or 815-679-6596

April Breakfast

By PFN, PGK John Stefani

WOW Again!

Let it Snow, Let it Snow, Let it Snow! I heard quite a few comments at the breakfast Sunday that it would be a light day with the snow... I disagreed... past experience has showed different. People come to church, get out of their cars and enter the building. When mass is over they don't want to go back outside into the car, then out of the car and run into the restaurant, run back to the car and into the house. And that is what happened, they stayed for breakfast! The April breakfast was the highest grossing meal in the last three years other than the highly advertised last 2 Buffets' and Christmas with Santa. With the introduction of the Steak & Eggs, which uses the cottage fries instead of the hash brown, we are getting a number of requests for those instead. It could be suicide to offer the choice of either potato, so after we talked it over, we are going to experiment yet again and go with the cottage (cubed) potatoes starting next month with all of the egg dishes

(again!). Will be interesting to see what the talk is then. But then, we've never had a protest or walk-out yet.

Thanks to all who worked the breakfast. We have a very large crew that keeps coming and coming. There are regulars, and subs and regular subs. Each and every month Worthy Brother Sir Knight **Bob Wyman** sends an email reminding every one of the event and asking for help. Bob will list all of the duties we need help on, hours and how many for each one. And people always show up... some every month, some seemingly when needed. How they **know** that this is the month they are needed I have no idea, but there they are! This month **Brother Mike Antongiovanni** showed up. And, he was accompanied by his son Josh. Josh later came over when I was sitting and talking with >> 3

some customers and handed me his **Form 100**. He will be at the *Admissions Degree* on **Tuesday, May 15th**! So come and welcome him. More about that in the *Membership* article.

Until then, keep it up, guys, 3880 continues to be 3880.... And that says a lot! Peace, and hope see you all there next month, May 20th. John

News from Pack and Troop 127

By Dan O'Connell

Birds of Prey/The Great Outdoors/Changes Afoot

Once again the Pack had a terrific live bird show for their meeting this

The Troop is beginning its camping season in earnest with U.S. Grant Pilgrimage in Galena, IL at the end of April. The Pack is also attending this event. Maybe it will be a little warm for us. You can see all of the activities at <http://www.blackhawkscouting.org/usgrantpilgrimage>.

The scouts will have the opportunity to see beautiful Galena and all of its historic buildings as well as Civil War reenactments, a blacksmith's shop and the ever popular Bucket Brigade. There is a parade down Main Street so all the troops, packs and crews can march showing their colors. A host of opportunities for the boys to pick up souvenirs from the event along with hot sauce from Galena Canning Company.

The month of May brings Becks' Woods, June – Rush Creek, July – Canyon Camp for Summer Camp with a white water rafting outing set in June as well. So a busy summer planned for the Troop with lots of opportunities to be outdoors and experiencing nature.

The Fall will bring young ladies joining the Pack ranks and February 2019 may possibly have the first female scouts joining troops in the area. We will be receiving updates from National through the summer on the particulars and will keep you posted. It will be an interesting time.

past April. The Northern Illinois Raptor and Education Center located in Loves Park brought a variety of educational displays and live birds for the scouts to see and learn about the birds. They had live owls, hawks and other birds of prey. The center's purpose is the rescue, rehabilitation, and release of native birds of prey and promoting conservation awareness through interactive educational programs. You can learn more about this great group at:

<https://www.northernillinoisraptor.org/>.

Thank you for your continuing support of Scouting. We are building the strong citizens of tomorrow that will appreciate the outdoors, respect other people and understand their duties to God, Country and themselves.

God Bless.

Degree Team Needs Alternates

By PGK, Steve Haugh

Our next degree precedes our May 15 at the Social Meeting. I am dreading it. Some of the brothers who have been with us for some time believe our degree team has declined in quality of presentation in the last few years. Our chairmen of membership and Grand Knight have requested, strongly, improvement. I hear I am responsible. I believe our last few have been good, but I do remember better.

What we need is a team. We need all positions filled, and a backup for

each position because somebody is missing every time. I understand that. I am asking for a commitment to be there as often as possible, and let me know if you can't make it. I usually check attendance at the general meeting prior to the entry (1st) degree, but even that doesn't work, always. I understand that E-mail works best, so I'll try to get better on this "Satanic" system. We shouldn't have to be grabbing fill-ins at the night of the event. We shouldn't need extra scripts >> 5

Crystal Lake Food Pantry

By PGK, John Stefani

No one should go hungry.

The last couple of events have been good for the Council. We were a little short on workers at the March Saturday, but with new member family **Brother Tony Santinello** and his wife **Di** in attendance, we did okay. Except poor Di got stuck in the walk-in refrigerator for a while and was COLD! But the number of clients was also a little low, with about 28 people representing just under 100 family members, and our distribution was just over 2800 pounds of food. Next night would be Thursday, April 19, and then Saturday, May 5th, Cinco de Mayo. On May 5th I will not be there as I will be at the 4th Degree Exemplification, so someone else needs to be there to pick up the slack. While the Food Pantry prefers that all workers are over 18, we as a Council have never had an issue with that. A number of young family members show up to help. These are generally teenagers who always do a great job for the Council, whether it is the Pantry, working the Breakfast or the Christmas tree lot. So, if your son or daughter is interested in helping, come on out WITH them! **Matt Carlozi's** daughter has come a number of times and brings a girlfriend with. **Jerry Lyons** has

keep the front going for us!

... If you have any questions, ask Vince or myself. Or give me a shout at (815) 679-6596.

4th Degree News and Views

By PFN, PGK John Stefani

Greetings **Faithful Sir Knights** and **Worthy Brother Knights**!

For starters, here is the picture of the Assembly last month at the Confirmation at Sacred Heart Parish in Marengo with all present in full Regalia.

Another special for the members of 3880 Council who are members of the Assembly Color Corps was the recent Devine

Mike Jasinski and **Greg Ives** joined me in the Honor Guard. We have two more **Brother Knights**, **Tom Tremblay** and **Arturo Munoz** who are

going to participate in the 4th Degree Exemplification on May 5th in Oak Brook. Happily, we now have grown the 3880 contingent of Sir Knights by 3 this year alone. The next opportunity will be "somewhere" in October. Would love to see more advancing. At the 4th Degree Masters meeting several weeks ago, comments were made that the full Regalia may be around much longer in Northern Illinois. This is a good sign, one which the Bishop, a 4th Degree Sir Knight, is pleased with. We never have an event with him where he does not specifically thank the Knights for contributing to the solemnity of the occasion. Something that Bishops Doran and O'Neill also did. So, if interested, please see either **Dan O'Connell** or myself for the FORM 4 to start the ball rolling. Same for any questions.

Vivat Jesus!

every degree.

Consider all parts open. I thank and applaud those who have had parts, and you are most welcome (and begged) to retain same, but we need trainees for the same position. We will schedule a practice after our May 1st meeting, and all, current and trainees, are invited. A very little bit of memory, perhaps a slight bit of drama, and a willingness to increase your voice level are all that is required. Let me know if you are interested but can't make it. God bless Pat Bradley, the only other person to make my last three training sessions.

Pressing Needs are: Financial Secretary, Grand Knight, Deputy Grand Knight and Chancellor. **We all need backups.**

If **WE** can help develop this team and **YOU** can **HELP**, the council needs you.

Dear Brothers,

On Monday April 2nd, 2018 the U.S. Supreme Court rejected a request to hear an appeal for the release of videos recorded by activists who met with high ranking abortion providers. The justices opted to leave in place the lower court's ruling in this matter (a stop to public release of remaining undercover videos). David Daleiden founder of Center of Medical Progress was one of the many activists requesting the appeal be heard. This is a setback for life as there would have most certainly been more proof of the atrocities going on behind closed doors at the abortions mills across the United States. Please see article below for more details.

<https://www.reuters.com/article/us-usa-court-abortion/supreme-court-rejects-appeal-to-release-anti-abortion-activists-videos-idUSKCN1H918T>

In yet another setback for life Hawaii legalizes assisted suicide. In what is becoming more and more accepted across the globe! Mankind, instead of accepting and embracing the suffering in which God has allowed in their lives, is rejecting it. Suffering in meritorious if embraced and united with the cross of Christ for the salvation of our souls and the souls of others. This is an act of love in which we can share in the passion of Christ (suffering) out of love for our brothers and sisters for the redemption of the world. Christ embracing his suffering as a perfect act of love opened the gate to heaven for all by paying the infinite debt

mankind was unable to pay on its own. Embracing suffering out of love for God to assist our brothers and sisters on the path to heaven is living the truth. It will never be ok to take your own life. Life is to be protected and defended at all cost. God did not create human life for mankind to destroy it.

Please take the time to read this next article which will definitely cause you sadness but we must stay fully engaged in the battle at hand. I really can add nothing to this other than I am shocked and appalled. This article speaks for itself. May God have mercy on us all! Mary Mother of God, pray for us.

Crystal Lake boy, 6, wins hospital gown design contest

By [Mark Rivera](#) and [Cheryl Burton](#)

Wednesday, April 11, 2018

CHICAGO (WLS) --

A six-year-old Crystal Lake boy has won a national competition to design a new hospital gown for children. Jack Backe, joined by his family, was honored Wednesday by the Chicago Cubs for the big accomplishment. Backe was given a tour of Wrigley Field, met Kyle Schwarber and Addison Russell, and then delivered the starting lineup to the umpire.

Backe's design entry was one of about 6,000 submitted to the Starlight His hospital gown design honors his little sister, Everly "Evy" Backe, who is just eight months old, but had three heart surgeries because of a congenital heart defect.

Outside of Wrigley Field, Jack's jaw dropped as he learns the news.

"It's your gown, buddy! And now Everly is going to get to wear it and so many other kids all across the country are going to get to wear it, too," said Chris Helfrich, CEO Starlight Children's Foundation.

A six-year-old from Crystal Lake is a finalist in a national competition to design a new hospital gown for children.

Jack met players and got a behind-the-scenes tour of the ballpark.

"I'm so excited!" Jack exclaimed when he learned the news he'd won. Jack designed a gown that his sister and other kids would want to wear and focused on the heart.

"One is for Ev, one is for my three pets, they share one, and one is for mom and one is for dad," Jack said pointing to the four hearts on the gown.

FAMILY ROSARY PROGRAM

<http://www.kofc.org/en/members/programs/church-activities/family-rosary.html#/>

A program the council should consider.

As a part of the Building the Domestic Church initiative, we are happy to announce that the 5th Sunday Rosary Program will now be known as the Family Rosary program.

The Family Rosary Program, encourages councils to sched-

ule rosary prayer services on any day of the week, at any time of the year, with the pastor's permission. When planning a Rosary prayer service councils should personally invite each family of the parish, and offer each attending family a copy of Catholic Information Service's *A Scriptural Rosary for the Family* (#319). Encourage families to read it and learn how their faith can be strengthened through a devotion to Our Lady, while praying at home regularly as a family.

Resources are available as part of the Family Rosary Program, including a Family Rosary Kit (#SR-Kit), which includes 25 finger rosaries, brochures on praying the rosary and copies of the *Scriptural Rosary for the Family* (#319), along with a promotional poster to help draw more parishioners to the event. Participants may also use their own rosaries, and Knights are encouraged to use the rosaries that they received during their First Degree. Councils interested in ordering additional rosar-

ies or rosary rings, and booklets- are encouraged to visit knightsgear.com

Action Steps

1. To organize a successful Family Rosary program in your parish, the council should:
2. Order the Knights of Columbus [Family Rosary program Kit](#) (#SR-Kit) using the order form. You can also use the order form in the forms section of the website, or call the Department of Fraternal Mission at 203-752-4270.
3. Contact your local pastor to obtain permission to conduct a Rosary service following Mass.
4. Provide a sign-up sheet in the parish bulletin board for parishioners to sign up to participate in the rosary service. This will allow you to determine the interest level.
5. Build public interest. Use the sample press release that is on the website as a sample, to present it to the newspapers and the radio stations in your community. When sending the press release use your council letterhead. Deliver or send it, along with clip art logos, to the editors of both.
6. Report your activities to the Supreme Council with the [Family Rosary Report form](#) (#10243), and the [Columbian Award Application](#) (SP-7).

Prayer for the Canonization of Fr. Michael J. McGivney

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Fr. Michael J. McGivney, to be an apostle of Christian family life and lead the young to the generous service of their neighbor. Through the example of his life and virtue, may we follow your Son, Jesus Christ, more closely fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt

us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, bless our parish, our Knights of Columbus Council and Lady's Auxiliary.

Amen.
